Ladies, Be Impatient No More!

Find grace in waiting, just as Rissa Singson-Kawpeng did.

In her first-ever book, *Confessions of an Impatient Bride*, Rissa shares her funny, tear-jerking or sometimes downright embarrassing experiences as a woman finding her place in this world.

Rissa's struggles and victories as a young woman serving the Lord and at the same time "impatiently" waiting for the realization of God's promises to her regarding marriage and family life can be a source of grace and hope for women still in the "waiting" stage. New moms can relate to her stories, too.

So what are you waiting for? Run to your favorite bookstore and get a copy now. A good gift for your single friends, too!
